**REQUEST FOR CORRECTED FILING RECEIPT**

Dear Sir:

The Filing Receipt for the above-referenced application, in the "Domestic  
Priority data as claimed by Applicant" section, states as follows:

"This application is a CIP of 10/394,007 03/24/2003"

However, under "Domestic Priority data as claimed by Applicant", the  
priority data should appear as follows:

"This application is a CIP of 10/394,007, 03/24/2003, which claims  
benefit of 60/366,530, 03/25/2002 and also claims benefit of 60/366,529,  
03/25/2002"

Applicant filed a Supplemental Application Data Sheet and a Supplemental Preliminary Amendment on February 19, 2004, specifying the appropriate related application information and the priority data for the above-referenced application. Attached are copies of Supplemental Preliminary Amendment filed on February 19, 2004, and page 1 of the Supplemental Application Data Sheet, filed on the same day, which have been retrieved from PAIR and include USPTO date-stamps.

It appears that page 2 of the Supplemental Application Data Sheet that was filed on February 19, 2004 was not scanned into PAIR. According to PAIR, the Application Data Sheet filed on February 19, 2004 contains two pages. A copy of the index page of the Image File Wrapper for Application No. 10/727,667 is attached. However, only page 1 is available to view and there is no option to view another page. Therefore, Applicant is providing a file copy of page 2 of the Supplemental Application Data Sheet that was filed on February 19, 2004, along with the date-stamped copy of page 1.

Also enclosed is a copy of the Filing Receipt mailed on March 8, 2004 with the requested correction noted in red ink.

Applicant respectfully requests that a Corrected Filing Receipt be mailed for this application. Also, Applicant respectfully requests that the Supplemental Application Data Sheet filed on February 19, 2004, be scanned into PAIR again to properly reflect two pages.

Applicant's undersigned attorney can be reached at (202) 625-3500. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

  
Dawn C. Hayes  
Attorney for Applicant

## FILING RECEIPT

\*OC000000012044506\*

Date Mailed: 03/08/2004

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

## Applicant(s)

Kieran Murphy, Baltimore, MD;

## Domestic Priority data as claimed by applicant

Device viewable under an imaging beam

Preliminary Class

623

---

**LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15**

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
